

7 Inch Custom Template

1. Used the template below to create your design.
2. Actual visible area is 1.625 in (H) by 9 in (W). Actual strap after sewing reduces to 9 inches.
3. Please create your design 1.75 in (H) by 9.25 in (W) to allow for bleeding.
4. Graphic files must be provided in PSD (Photoshop) 600 dpi or AI (Illustrator) format (Vectorized)
5. You must create both left and right designs for the straps. Please see sample below.
6. Your company logo must be opposite buckle location.
7. KM does not guarantee color matching.
8. KM will provide 1 sample for approval
